DEDICATION...

H. L. Hardy GEORGE

As far back as the Senior Class can remember, George Hardy, long a member of the maintenance staff, has frequented the corridors, dispensing good will and sound philosophy to all those who were in need of it.

Throughout a period of fourteen years, "George" has devoted his time and efforts to the upkeep of Cradock High School and has established a precedent of never missing a day or being late during the entire fourteen years.

To "George," loyal custodian, who through years of faithful service, has endeared himself to the students of Cradock High, the Senior Class of 1948 gratefully dedicates this edition of "The Admiral."

As Norfolk County starts a twelve year school system, Cradock has become a Senior High School. We welcome those students transferred from Alexander Park High this year to the ninth, tenth, eleventh grades at Cradock. We feel that even now both groups are a part of Cradock and each contributes equally its best to the progress of our school. We hope that in the years to come the words of the Alma Mater and the spirit for which it stands, will continue to unite all the students of Cradock High School.

Alma Mater

We raise our voices now to greet thee
    Our school, our Cradock High—
Many thoughts are ever with you
    To remain and never die.
Days of value always linger in memories
    Long gone by.
Our love for you grows ever deeper
    As we strive for goals so high.

Once again we stop to greet thee—
    March onward, Cradock High!
It is to you we give the glory
    Of all the things we try.
We count it gain that we have known thee
    And as the years go by
Your spirit will remain within us,
    Our unconquered Cradock High.

Senior Poets

The time has come for us to leave
Our school, our Cradock High,
But all our precious memories
Will always linger by.

Chorus:

To students loyal to their school,
To knowledge gained by all,
We leave the spirit of the class,
And of the students long gone past.

Our friends whom we shall leave behind,
With thoughts so true and kind,
We're leaving you to carry on,
For good old Cradock High.

—Marilyn Turner

We've spent four years with you,
Our classmates good and true;
Now we must say adieu
And so farewell!

These years have been such fun,
Now we must part each one;
Our studies here are done,
And so farewell!

—E. C. Hewlett

Through the halls of Cradock High School
There now echo sad refrains,
And the ghost of long lost friendships
Revive themselves again.

Cradock we shall miss you
Though we are apart,
Lessons as Seniors
Stay in our hearts.
Molded and fashioned
By friends good and true,
A beacon of guidance
Reflected by you.

Long years of toil and hardship
That will end for us today,
Traveled by so many
Who have fallen on the way.

We shall be honored
In years now to come
By things attempted
And things we've done.
When in the future
We gaze at our past,
Our memories of Cradock
Bring joys that will last.

—Gordon Creecy

Now that our school days are
over and done;
We extend with great pleasure
many thanks for our fun.
To all the dear faculty,
we bid you farewell.
To all our fellow classmates,
this we must tell;
"We'll miss you, dear friends,
more than you know,
But the time has come when
we must go."

—Adel Odom

Graduation does not mean the end,
Tomorrow the curtain will go up again
Because our councilors have made us realize
"That in ourselves our future lies."
We're leaving now, with eyes filled with tears,
But we'll not forget you in future years:
We look to the future, determined to serve
Our God, our country, and the spacious world.

—Eula Bullard

I see a tear upon a face,
I see that tear drop to the lace
of a girl's graduation gown.
I see a boy quickly frown
And then a quiver of his lip
Tells me he could but let it slip.

What is the meaning of this tear?
Can it be that it is fear
of what the future may hold,
For each senior meek or bold?
But let us use this tear
As a crystal ball so clear.

We see now what this clear drop means,
To her it symbolizes scenes—
Scenes of fun and toil and play
That filled her life through each long day.
Mem'ries of teachers kind and dear,
Who steered her paths from year to year.

We see the seniors scattered far,
Each pursuing some fixed star.
Boys struggling, the world to save,
Girls who will their lives so brave,
All her friends of former days
Working, going various ways.

And through this tear we see today
In corners near and far away,
The burdens pass from old to young
To reconstruct in deeds unsung;
And vacant places we must fill,
We must, we can, we surely will.

—Katherine Banks

SENIOR HISTORY

On a bright September day in 1944, an excited group of girls and boys met at Cradock High School. On the same day there was another group, just as excited, meeting at Alexander Park. We were both to begin a long journey with four stop-overs, destined to meet at our fourth stop but travel separate ways until then. The first stop was called Freshmen. We all enjoyed this stop very much. George Dunn was appointed to lead the Cradock group. Assisting him were Pearce Soule, Adeline Marable, Sammie Quinn, Billy Seybold and Misses Eliza beth West and Ruth Lippard as advisers. Although the group from Alexander Park decided not to elect leaders, they were very prominent in many activities. We saw many interesting sights and a gala ball, the Freshman-Sophomore, was enjoyed by the Cradock group.

We all felt we had learned a great deal at Freshman but moved forward to our next stop at Sophomore. Being more experienced travelers now, we felt very sophisticated. Sophomore was to hold many new adventures and good times for us. The Cradock group decided to keep the same leaders, and appointed Miss Betty Ames and Mrs. Margaret Forehand as new advisers. The usual dance, the Freshman-Sophomore, was held in the gymnasium. Being well attended by the Cradock group, it became another pleasant memory of Sophomore. The group from Alexander Park still felt that they needed no leaders, but enjoyed their various activities.

Soon the entire group was off to Junior. During this visit things were happening all the time. Hunter Boothe became Cradock's new leader, assisted by Walter Collins, Adeline Marable, Margie Parker, Bill Griswold and Billy Seybold. Miss Mary Evan Sides was now adviser. At this visit Jimmy Spies became leader of the Alexander Park group. Assisting him were Frances Robinson, Betty Hester, Harold Tompkins and Mary Harper. Then came that high light of the whole trip, the Junior-Senior prom. Each group worked to make its own prom the success it turned out to be.

At last we both reached our final destination—Senior. Here we met and traveled through Senior as one large happy group. By this time we had seen so many new sights and learned so much history that we felt quite well-educated. Walter Collins became our leader. His assistants were Jimmy Spies, Margie Parker, Gertrude Phelps, John Story, Kenneth Brown and a new adviser, Miss Evelyn Byrd. Work began on "The Admiral," which was a record of the whole trip. Jimmy Smith was elected editor with an able and efficient staff. On April fifth we laid aside our dignity and became babies again. Later in April we produced the play, "Almost Summer," which was a big success. We were the honored guests of the boys and girls from Junior on May the thirteenth at a dance given at the Petite Ballroom. It was a wonderful affair.

The events of our "big" trip at Senior ended with the Senior Banquet, the Baccalaureate Sermon and at last the receiving of our diplomas—graduation. Parting seemed a little sad, but when we remember our journey it will be with a smile on our lips and a glow in our hearts of the memories we shared together.

SENIOR CLASS WILL

We, the Senior Class of 1948, being of average intelligence, reasonably sound mind, stable emotions, and robust health, do hereby make, bequeath, and publish this will for the sole purpose of bestowing upon our successors the worthless, but coveted, possessions graduation has forced us to leave behind.

1. To Richard Butler—We leave Virginia Lee Golden's brain in hopes that he'll discover who wrote Franklin's autobiography before he finally graduates.

2. To Sue Palmer—We leave Gracie Armistead's "editorship" of the paper and the privilege of losing her temper three times before each edition.

3. To Patty Williams (Better known as "I made 20 points—can you top that?")—We will Mr. Stenzel's easy chair so she won't need to stand under the basket between points.

4. To Robert Shockly—We gladly give the enormous height and red hair of Billy Griswold so he won't need bifocals when he vocalizes in future minstrels.

5. To Nedra Nave—We leave Katherine Bank's peroxide bottle to keep her own shiny locks in topnotch shape and shade.

6. To Richard Ramsey (Cradock's Van Johnson)—We leave the lady-killer techniques of Otho Baker and demand he give the fair sex an even break.

7. To Billy Sue Bohannon—We bequeath the cheering ability of Sammie Quinn and will expect her to earn a Varsity letter next year.

8. To Virginia Watson—We leave Gertie Phelps' basketball ability and claims to a uniform next season.

9. To Roy Griggs—We hand down the sportsmanship and laughing blue eyes of Billy Byers and hope "Hollywood" turns out a great athlete like our own "Moonie."

10. To Pat Abernathy—We bestow the sweetness and sincerity of Eula Bullard to enhance her already glowing personality.

11. To the Junior Class we pass on the thrill and adventure of "Seniorhood," our lockers in the middle hall (the perfect excuse for being late), and the battered notes we used to get ads with when school got tough. Also, we leave to the Juniors all those unfortunate Seniors who couldn't scrape together 16 credits by June 8.

12. To the Sophomore Class we will our old corridor and offbound passes, indelible pencils and dictionary of faculty signatures. These implements properly applied should make their coming years in Cradock pass more quickly.

13. To the Incoming Freshman Class we leave our yo-yos and beloved moron gym suits. Also several hand books on such useful subjects as "Successful Class Skipping."

14. To the Faculty we express our sincere appreciation for attempting to educate us these four long (in some cases, longer) years, our sympathy for the chaos they endured during the last weeks of school, and finally our appreciation for their being gracious enough to graduate us.

    To Miss Byrd and Mrs. Richardson—We leave the headache of future annuals.

    To Miss Phoebe Weaver—We leave a name plate for her desk inscribed "Miss Phoebe Weaver, Truant Officer."

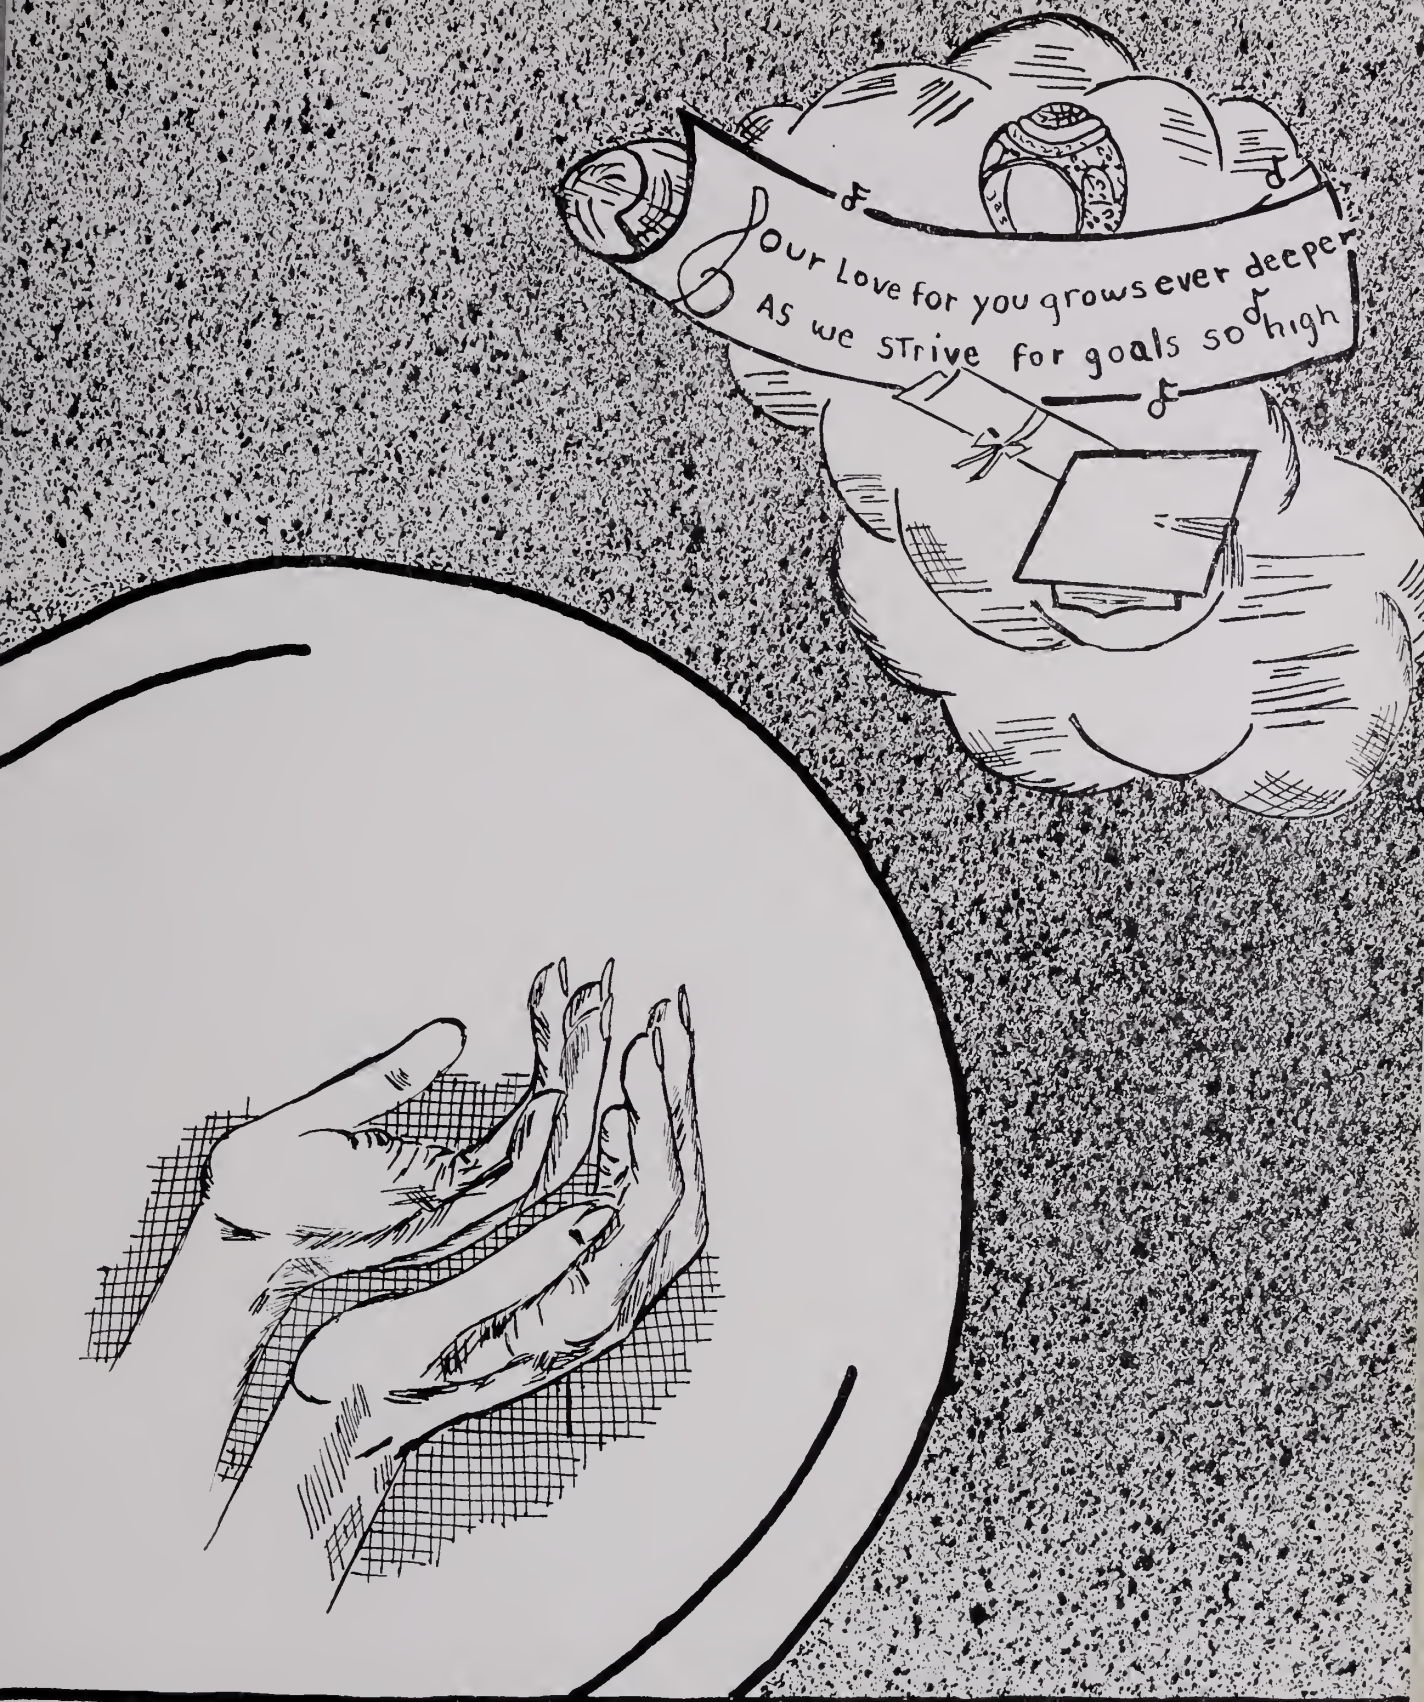
    To Mrs. Parsons—We leave the big office clock to be installed in her classes so she may maintain standard time.

    To Miss Dickinson—We leave our overdue library books and sincerely hope she'll be understanding (after all 2c a day mounts up.)

    To Mrs. Weaver—We donate our battered English Four's so she may supply her forgetful students with books.

15. To Cradock High—We take with us as we depart the memories, laughter, tears, and lessons she has given us and return to our Alma Mater our deepest love.

After careful deliberation we, the Class of 1948, hereby draw this document to a close and appoint Richard Ramsey, the President of the Junior Class, as executor of this last will and testament, authorizing and empowering our said executor to, with proper discrimination, sell, distribute, burn, or bury anything we have left behind unlabeled.



Our Love for you grows ever deeper
As we strive for goals so high

Coach A. P. Serge, head and line coach, and Coach Jack Powers, backfield coach, back from last year, did not have as successful a team as the 1946 team.

The first two games looked as if the Admirals were off to a flying start defeating Deep Creek and Great Bridge-Hickory 10-0 each. A defeat by South Norfolk, 26-0 hurt the Admirals mentally and physically. The Admirals' record for the rest of the season was shaky. Their greatest rivals, Churchland, who had not defeated Cradock in 11 years, tied the Admirals 6-6 in what proved to be a whale of a game. Everyone was on edge and nervous many stages of the game.

Hunter Booth and R. B. Young led the backfield and Herby Wright, Jack Beaver and Joe McLendon led the line for the 1947 season.

The season's record 4 wins, 5 losses and 1 tie.

Dr. Schlanger, team physician, did a very fine job of keeping our boys on the field.

Cradock High's "Little Admirals," under the capable coaching of Jack Veazie, had a very successful season on the gridiron this year. They boast a season record of 7 wins and one loss, a near perfect season. Opening the season against Norview the J. V.'s came through with a well deserved 7-0 victory with Simons scoring on a pass from Overman. Next to go down before the "Veazie coached lads" was the power laden J. V. from South Norfolk 13-6, with Cradock's line playing a bang-up defensive game, Co-Captains Keever and Overman looking best on the line and Spies and Wood being the standouts in the Cradock backfield. The Admirals snowed Oceana under 28-6 with quarterback Wood and halfback Spies showing the way. Returning to home grounds the Cradock boys suffered a bad day and went down fighting to Suffolk 13-7, their first and only loss of the season.

Cradock invaded Norview, which was by now a vastly improved team, but nevertheless the "Little Admirals" came through with flying colors by a convincing margin of 27-13, Agee and Wood putting the game on ice with two last quarter touchdowns. In the following week powerful Class A Granby marched on the field, confident of a win over the Maroon and Gold but were sadly mistaken as Spies came through with two touchdowns and two extra points on his own, leading Cradock to a 14-0 win over the Comets. Peterson also turned in a brilliant defensive game as did Story and the entire Cradock line. Having virtually clinched the Norfolk County Championship, Coach Veazie started getting his team ready for Oceana in a return game, set for the following week. Cradock evidently was ready, taking Oceana in stride 20:0. With Spies and Agee leading the way, Cradock clinched the Championship by closing out the season with a 13-0 win over South Norfolk.

Basketball rolled around to Cradock High School to find 7 lettermen returning and a great coach, Jack Powers.

Defending the District I, Group 2 Championship, the Admirals got off to a slow start, but finished the season with another tournament berth, defeating Morrison in the Semi-finals 35-31. Playing Suffolk in the finals, found the Admirals beaten by only two points. At the half time the Suffolk Red Raiders had an edge of 18-9 over the Admirals. The second half got under way and the Admirals began to click, but as the clock ran out Suffolk still had a two point lead over the Admirals. Final score, Suffolk 30, Cradock 28. The Suffolk Red Raiders' were the only team to win over Cradock on Cradock's own court in 2 years. Season's record—15 wins and 6 losses.

The consolidation of Alexander Park and Cradock High Schools brought together the remaining members of two of the strongest teams in Norfolk County and Group II Competition.

As a result of this consolidation and constant practice a basketball team working as a single unit was developed.

The Cradock "Admiraletts" came through an exciting season, capturing the Norfolk County Championship, winning seven games and tied one.

Total scoring for the "Admiraletts" was four hundred eighteen, with the opponents scoring a total of three hundred sixty-two points. Won thirteen games, lost five, and tied one.

We wish lots of luck to: Pat Williams, Butch Groff, Shirley Fagg, Betty McCormick, Sue Palmer, and Margaret Hunsucker, on next year's squad.

The high flying "Little Admirals" lay undisputed claim to the Norfolk County, as well as the District, Junior Varsity Championship for the second year in succession. The "Little Admirals" closed their season with eighteen wins and no defeats in their regularly scheduled games.

Besides gaining distinction in Class "B" competition, the juniors stepped out of their class and played seven other teams, composed of more mature and experienced players. The boys also proved their powers in stronger emulation by winning five and dropping two for a season record of twenty-three wins and two defeats.

The total score for the season shows that the Junior Varsity racked up 964 points, while their opponents only hit the nets for 441.

In the past two seasons, the "Little Admirals" have established a record of forty-four wins and three defeats which is an achievement that would make any team envious. Surely the playing, teamwork and attitude of these boys is exemplary of fine sportsmanship.

This year's Junior Varsity has brought forth several good players who should step into varsity positions next year and replace those who will step out by graduation. No doubt Roy Griggs, Jimmie Spies, Tommy Kincaid, and Joe Simons will see plenty of action on next year's varsity.

SPORTS HONORS

J. V. Football's coach, John Veazie's, team had a very big season when they stopped County and District Championship without a defeat. Such stars as: Frank Overman, Jimmy Spies, Jimmy Johnson, Tommy Kincaid, Hugh Smith, H. A. Keever, Nelson Peterson, Joe Florentine, are expected to help the Varsity team in the coming year. We look to see Earnest Price, Jim Anthony, Eugene Cooper, Dick Cato, Barron Silverthorne, Jack Griffin, Eugene Worley, Joe McLlendon, Roy Griggs, Buck Coffman take over the Varsity Football as Bill Griswold, Jimmy Smith, Tommy Powers, R. B. Young, Bill Byers, Lester Fagg, Earl Barnes, Herby Wright, Hunter Boothe, John Carter, Bill Seybold, Kenneth Brown, Pearce Soule, and Rowland Matthews, have played their last game of football for high school.

Coach Jack Power's Basketball team again won the Norfolk County Championship and became runners-up for the District Championship. The team will lose players like Tommy Powers, Bill Byers, E. C. Hewlett, Kenneth Brown, Pookie Woods, Bill Griswold, Tommy Davison, and John Carter. Coming back for another year will be Barron Silverthorne, Jack Griffin, and Jimmy Johnson. Coach Veazie sends up Roy Griggs, Tommy Kincaid, Joe Simons, Roy Crawson, Earnest Price, Hugh Smith, Gary Siegle, and Jimmy Spies, after losing Joe Florentine and Pearce Soule. The Varsity should have a good team next year.

The Admirals starting off baseball find letterman Billy Saunders, Sonny Beck, Ray White, Dewey Fussell, Bill Byers, Frank Overman, John Carter, Stanley Evans, back under the able direction of Coach Jack Powers. Returning next year will be Sonny Beck, Bradford Duncan, and Roy Griggs, Barron Silverthorne, Ray White, and Dewy Fussell.

The Track team under Coach A. P. Serge is expected to take County and District meets. The lettermen are: Frank Overman, R. B. Young, Lester Fagg, Bill Griswold, Tommy Powers, and Bruce Southerland. Other candidates Dick Cato, Richard Butler, Alvin Jackson, Herby Wright, E. C. Hewlett, Bill Mounie, Julius Woods, Edmund Barnette, Billy Stiles, Eugene Brickhouse, Jack Griffin, Kenneth Brown, Jim Baker, Fred Lundie, Joe Florentine, Tom Kincaid, George Daggett, Raymond Spires, show great promise.

The Girls' Basketball team has really worked together this year and was the strongest team in Norfolk County. It competed in Group II Competition, and finished in fourth place. We wish to thank Miss Elizabeth Lewis for her splendid coaching. The squad will miss Billie Cole, Shirley Wimberley, Gertrude Phelps, Sara Cox, Mable Sumner, Barbara Cornwell, Frances Stuteville, Ivye Standin, Ann Bennett, Adeline Marable, Lucille Powell, Betty Robinson, who are graduating. We also have some star players coming back next year. They are: Pat Williams, Butch Groff, Betty McCormick, Shirley Fagg, Sue Palmer, and Margaret Hunsucker. We think they will have a strong team for next year's squad.

This year the *Beta Club* has been a very progressive organization. It has instituted an honor roll to recognize scholastic excellence, established a committee for publicizing available college scholarships, and has sponsored a campaign to promote the work of the newly established Honor Court.

Twice during the year the Beta Club held assemblies for the purpose of inducting new members. The present enrollment of the club is 50. In order to become a member a student must: be a Junior or Senior, have maintained a scholastic average of 88 in high school and have outstanding qualities of character, achievement, and leadership.

The club has had varied socials during the year, climaxed by a banquet at which the new officers were inducted, and outstanding members were recognized for their achievement.

A high spot of the year was the Dr. I. B. Smart quiz program which was presented in assembly and was greatly enjoyed by the entire student body.

The football season was not as the band had hoped for. The lack of uniforms kept the band on the side lines.

A combined Glee Club, Band concert was played in the Cradock High auditorium on March 11, 1948. It was quite a success.

The band won a Rate I at the district music festival in Grade III competition at Newport News March 20, 1948.

Several visits to other schools in Suffolk, Whaleyville, and others gave the band out of town engagements.

A Band-Parents Association was formed on April 1, with the aim that parents will assist in promoting the Band.

Miss Emily Leitner ..... *Sponsor*
Eula Bullard ..... *Accompanist*

The *Glee Club* of 1947-48 has participated in many activities. The small groups as well as the large groups have done several things to make our school better musically.

The small groups have progressed as they have sung for the P. T. A., and Christmas at the Presbyterian Church. Here there were some beautiful solos. There was a Christmas Assembly with the Candlelight Procession. The whole Glee Club participated in this event.

The soloists were enjoyed by all when they sang at the Cradock Music Club.

The Spring Concert was held with the Band and the Glee Club.

The minstrel, "April Jubilee," took place the last of April. The chorus took part and it was directed by Miss Emily Leitner and Miss Gene Shepard.

The D. E. is an organization of high school students enrolled in the cooperative part-time distributive education classes and has as its purpose furthering the welfare of its members in the following ways: provides a means of learning of the vocational opportunities to community life; to develop leaders for both now and in the future; to provide means for integrating the D. E. program with other school groups through joint sponsorship of projects and recreational and social activities; to provide helpful participation in civic enterprises so that students may take their places in community life after graduation; to give the student a respect for this training and a desire to keep abreast of current developments through the use of training facilities available in the community; to help develop an understanding of their employers and their employer's problems in order that the students may actually contribute to the organizations by which they are employed, and to put into practice the philosophy that in receiving money for services, merchandise or ideas, each D. E. member will give of his best in time and effort so that both buyer and seller will benefit.

This year the D. E. students have given several parties, weinie roasts, field trips, movies, sponsored speakers and artists and club meetings.

The *Alpha Tri-Hi-Y* has improved in membership this year. Students have taken a greater interest in the club and its activities. We have done more in the way of religion than ever before.

We have a wonderful Chorus that has taken part in many school and church activities. Thanksgiving we gave baskets to the needy. At Christmas we gave a program at the Methodist Church. We have been invited to several services at Reverend Kelley's church.

We have been represented at district and local meetings and conventions.

We have had much fun along with our work on skating parties, bowling and weiner roasts.

FEATURES

DEAR

SEPTEMBER

Dear Diary:

All good things must come to an end and as we leave the sunny shores of Virginia Beach we put away bathing suits and dig out books and once more resume our studies at C. H. S. on September 10. The first main event was our thrilling football triumph over Great Bridge-Hickory with an upset of 19-0. With the hopes of June graduation carved upon our hearts we settle down to nine long months of study. 163 members of the Senior class pledge themselves to attain the standard of our motto: "In ourselves our future lies."

OCTOBER

Dear Diary:

O is for October and on the 3rd, we took a dose of our own medicine when South Norfolk raided our own stadium and took the Admirals for a 26-0 defeat. An educational director from Norfolk General Hospital gave an interesting resume on "Nursing As a Career" to all senior girls on Wednesday, October 1st. Candidates to compete in the Pepsi-Cola scholarship contest were elected by the class on October 2nd, and what is your I. Q.? Representatives from the S. C. A. attended a state meeting held at Mary Washington College in Fredericksburg on October the 6th and 7th. The routine of electing class officers took place on October 24 and 29. Then we put our thinking caps on and planned a schedule for our year's objectives. Getting out old fire extinguishers and sand buckets we celebrate fire prevention week the 9th through the 15th. The Cradock Fire Department planned a "hot" program. The '48 *Shipmate* issued its first copy on October the 28th. The S. C. A. sponsored its annual Halloween Carnival in the gymnasium on October 31. The goblins were out that night.

NOVEMBER

Dear Diary:

Hold your hats here comes the Girls' Driving Class! Say, whose idea was it that women can drive? (That's O. K. we earned our licenses). The honor students with hearts a flutter, waited quietly in an assembly on November 14 to feel a tap upon their shoulders, and then with a big sigh of joy and relief they walked up the aisle to be inducted into the Beta Club. American Education week (9th-15th) brought old memories of high school days to parents as they attended student classes during a P. T. A. program. Saturday, November 15th the Churchland Truckers brought a near tragedy to C. H. S. when they tied the score with 6-6. We now have a record of 10 wins and 1 tie over the Truckers! The most effective band assembly, due to the long preparation, and large number of students participating, was given on November 21. Congratulations to a band any school would be proud of. Once again the Thanksgiving holidays return and with happy hearts we go to eat our fill of all the delicacies of the occasion.

DECEMBER

Dear Diary:

Nineteen more days until Saint Nick once more comes bounding down our chimneys. Ah, holidays! The "mighty" seniors decided to have red roses for flowers and red and white for colors at a session held on the 3rd. The Student Government was host for the Norfolk County S. C. A. meeting held here on December 10. On the night of December 5th, the Dramatic Club presented a 3-act play entitled "Seventeen is Terriffic" and those who saw it quite agreed with the title. With Christmas music, ringing in our ears from the Glee Club assembly on the 19th we put old cares away until the 5th of January. Merry Christmas and a Happy New Year.

JANUARY

Dear Diary:

A new year has begun and after resolving to settle down and improve our minds we fall back in our same 'ole tracks . . . . Basketball takes the spotlight and with a championship team we begin a bright and new season. The Cradock Admirals won over the South Norfolk Tigers with a defeat of 35 to 31. Football letters were awarded at an assembly on January 16th. The varsity's chests swelled with pride as they proudly displayed their letters given for hard work and sportsmanship. "God of the Atom," a film, was shown to an enthusiastic student body by the Moody Bible Institute. on the 14th. The March of Dimes variety show was presented to the student body on January 23rd. Hidden talent was portrayed and many new faces discovered at this event. The Little Admirals set a record for C. H. S. with an overwhelming victory of 102-14 over Kempsville. Students who didn't study suffered a big blow (and we don't mean wind) when the examination grades were revealed! Harder work lies ahead in future months.

DIARY

FEBRUARY

Dear Diary:

As January winds die into February, snow blankets Cradock and students are barred from school for 5 days. (We almost cried when we heard the news?) February 5th the X-Ray clinic visited Cradock and students were given the opportunity to be X-Rayed for T. B. Of course everyone had to pretend they were victims—Horrors!! The Dramatic Club turned country on us and presented a play called "The Farmer's Daughter" on the 6th. The S. C. A. sponsored a religious assembly that was both impressive and lively. Decked out in pajamas and crazy clothes the Norview faculty entertained the C. H. S. faculty in a basketball game. The opposing team won but a good time was had by all. So ends February.

MARCH

Dear Diary:

March winds blow and what do you think it left at Cradock? The Salt Lake City Quartette who sang our cares away! "Aunt Abbey Answers an Ad," the faculty play, was the main attraction of the week. Hard work and much time was put on this hit. Music talents shine through as the Glee Club and Band present their annual concert to the citizens of Cradock on February 11th. Dr. I. Q. and his group of intellectual helpers tested the C. H. S. students on their mentality. (Of course we all know it was the Beta Club—you kill joy!) Another excuse to miss classes was found on February 17th by all who possessed 20c to see a mystery film—"Sherlock Holmes." Three one-act plays were presented on the 18th, by the Literary Department to compete in the county. Easter holidays and more vacation! The Hi-Y clubs presented their Easter sunrise service at 6:30 in front of the high school, to all the early birds of the town.

Me and Thee

APRIL

Dear Diary:

April showers bring—school on Saturdays! April 5th saw many short dresses, bottles, suckers, tummy aches (the after math) as Seniors toddled from class to class. At last we Seniors have a chance to act our age! Startling tricks and gags were pulled from a hat by Byrd, the Magician on April 7th. "Almost Summer," the Senior class play was given on the 8th and 9th with a full house both nights. Gayety and laughter rang through the house as the spotlight fell upon those "mighty" Senior actors. Cradock beauties displayed their loveliness at the Beauty Contest on the 16th. It is said the judges had a difficult time deciding on "Miss Cradock High." A district Track Meet was held on the 28th as the Cradock athletes displayed their foot-work and power. The future Student Government officers were nominated at an assembly on April 30th. A musical production supported by the Glee Club and with student attractions formed a new style black-face minstrel. Thus ends April showers and brings on May flowers.

Sammie and Diddie

MAY

Dear Diary:

One more month and our school days will be over. The Boys' Beauty Contest held on the 7th, brought about many "feminine charms," what names, what shapes, what, girls?!! Judges choose a queen and two maids of honor. We attended the Junior-Senior at the Petite Ballroom on May 13th, with Doug Parker's band. Juniors entertained the Seniors in a most delightful manner. Frills and thrills accompanied every couple. Installation ceremonies for the new S. C. A. officers was held on the 21st. The students made a wise selection of officers for the next year's school activities. This was a warm and sunny month, now we turn our thoughts to graduation.

JUNE

Dear Diary:

High school days have come to an end and all too soon. The Senior banquet combined with parts of Class Night took place on Friday night, June 4th, the Baccalaureate Sermon on the 6th, and Commencement on Tuesday night, the 8th. As we say good-bye to you dear diary and all our many friends may we add that in later life the inspiration of all we do and become will have come from the shining class rooms of C. H. S.

What to do after graduation

Choosing the right career to follow after high school days are over is a problem faced sooner or later by every girl in the senior class.

For many past graduates, telephone work has offered most of the things a girl looks for when seeking a place in the world: pleasant associates . . . clean, wholesome surroundings . . . high pay . . . regular increases and opportunities for advancement . . . paid vacations . . . the knowledge that the work itself is important and interesting.

There are opportunities in telephone work after graduation. The telephone company is "a friendly place to work."
